

# Weston County School District #7

## Our Mission:

**Learner-Centered...Future-Focused**

## Our Vision:

**To become a system that is Learner-Driven**

## As learners we strive to be...

**Curious**—We develop our skills for inquiry and research. We understand how to learn on our own or with others. We approach learning enthusiastically and continue learning through life.

**Knowledgeable**—We develop our understanding and knowledge across a range of disciplines and use that knowledge to design and create.

**Problem-solvers**—We use critical and creative thinking to analyze and take action on complex problems. We take initiative in making decisions. We approach uncertainty with determination and forethought and are resilient in the face of challenges and change.

**Communicators**—We express ourselves confidently and creatively in various ways. We collaborate effectively, listening carefully to the perspectives of others. We effectively utilize digital technology, communication tools, and networks to communicate for a range of purposes and in diverse environments.

**Balanced**—We understand the importance of balancing different areas of our lives, including intellectual, physical, and emotional wellness.

**Principled and Empathetic**—We act with integrity and honesty, with a sense of fairness and justice, respecting differences among people and perspectives. We seek out a range of points of view and value one another. We take responsibility for our actions and own our choices. We show compassion and have a commitment to making a positive difference in the world.

**Reflective**—We work to understand our strengths and weaknesses in order to support our learning and personal development. We identify and work toward lifelong goals and ask for help when we need it.
