

**WESTON COUNTY SCHOOL DISTRICT NUMBER SEVEN  
Professional Growth Plan**

**Goal:**

**Describe how this will improve student learning:**

**What format will be used?** (work with administrator, independently, interdisciplinary, departments, etc.)

**What methods/strategies will be used?** (action research, coaching, video taping, self-assessments, administrative supervision, workshops, classroom observation, etc)

**What are the indicators of progress?** (students work, portfolios, videotapes of class, peer observation, principal observation, performance assessment, etc)

**What resources/support is needed?** (student materials, teacher materials, professional development, collegial support, workshops, etc.)
